

Febo

Febo 1.0 bed in "wood"

Febo 2.0 bed in wood effect with padded headboard panel

Febo 3.0 padded bed

Febo bed with storage unit

FEATURES

Headboard side posts and ring made from solid wood, 40 mm thick, veneered (FEBO 1.0 and 2.0) or padded with polyurethane foam and covered with non-removable artificial leather or leather (FEBO 3.0), with 45° joints between footboard, side panels and headboard.

The border shaping creates a surface that is inclined towards the interior and that holds the bed base horizontally and the MDF headboard panel (with low formaldehyde content, class E1) vertically, veneered (FEBO 1.0) or padded with shaped polyurethane foam and covered with non-removable artificial leather or real leather (FEBO 2.0 and 3.0).

Storage unit made from particle board panels (class E1 with low formaldehyde content) and veneered (FEBO 1.0 and 2.0) or padded with shaped polyurethane foam and covered with non-removable artificial leather or real leather (FEBO 3.0), raised from the ground with black ABS feet.

The adjustable bed base mounts allow the use of different sizes of bed bases and mattresses.

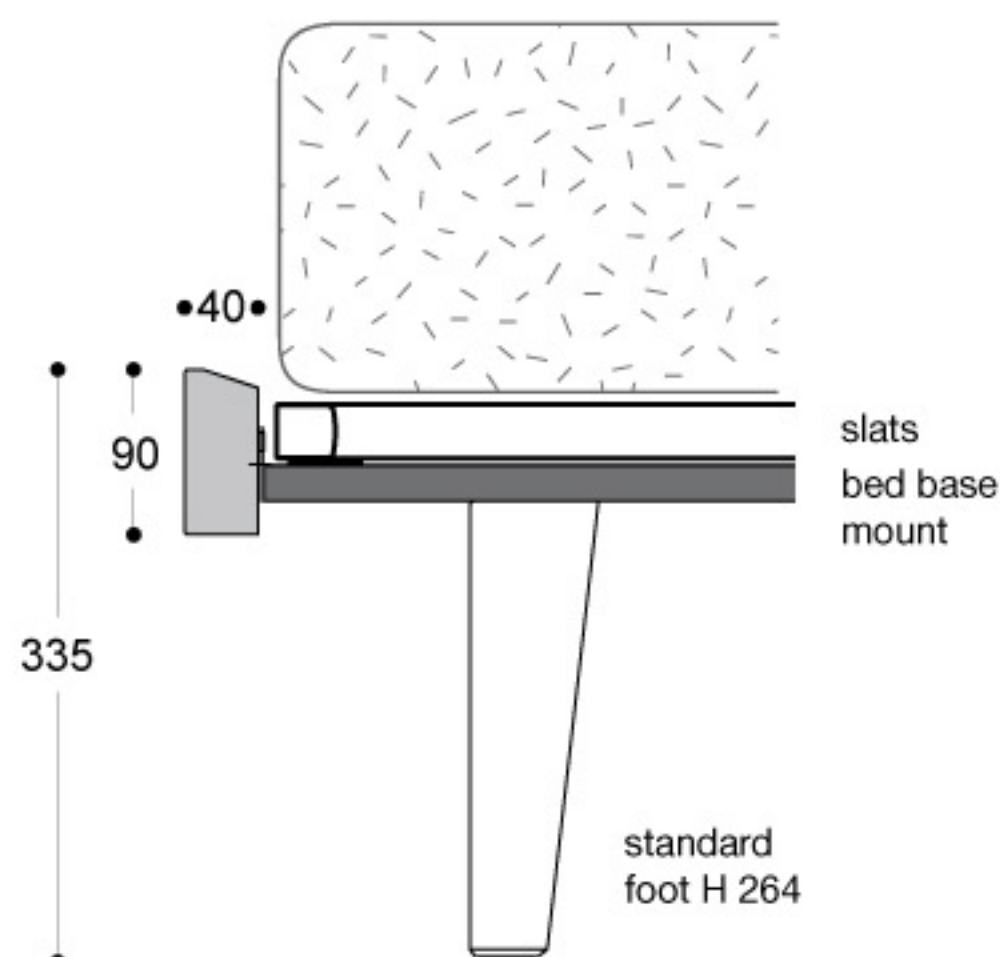

The price of the standard version bed DOES NOT INCLUDE SLATS. The price for the bed version with storage unit includes the raising bed base with levibed mechanism (page 52).

Finishes: Stained brushed and heat treated oak veneer with open-pore varnish.

Brushed heat-treated oak veneer with open-pore varnish

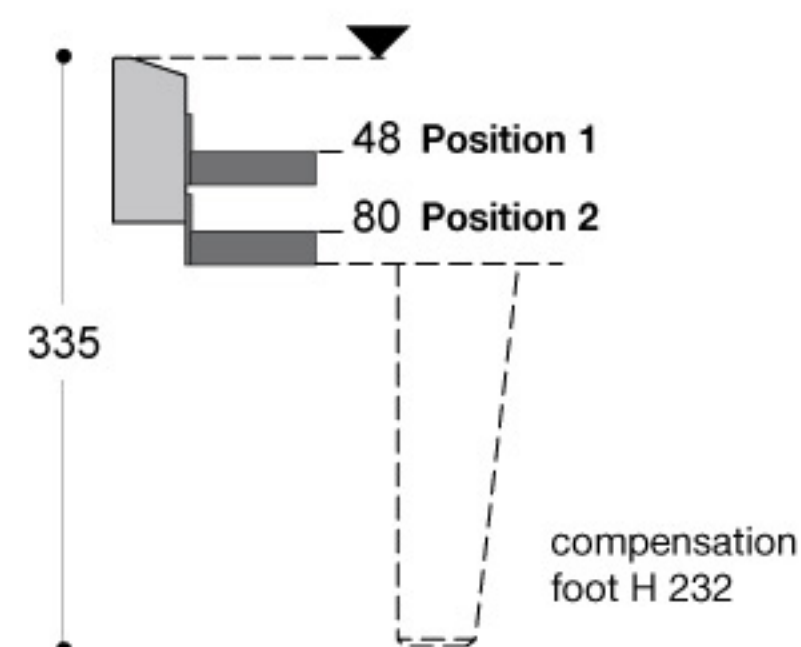

Shaped feet in solid wood to match veneer or with matt lacquer finish.

BED RING CROSS-SECTION Febo 1.0/Febo 2.0/ Febo 3.0

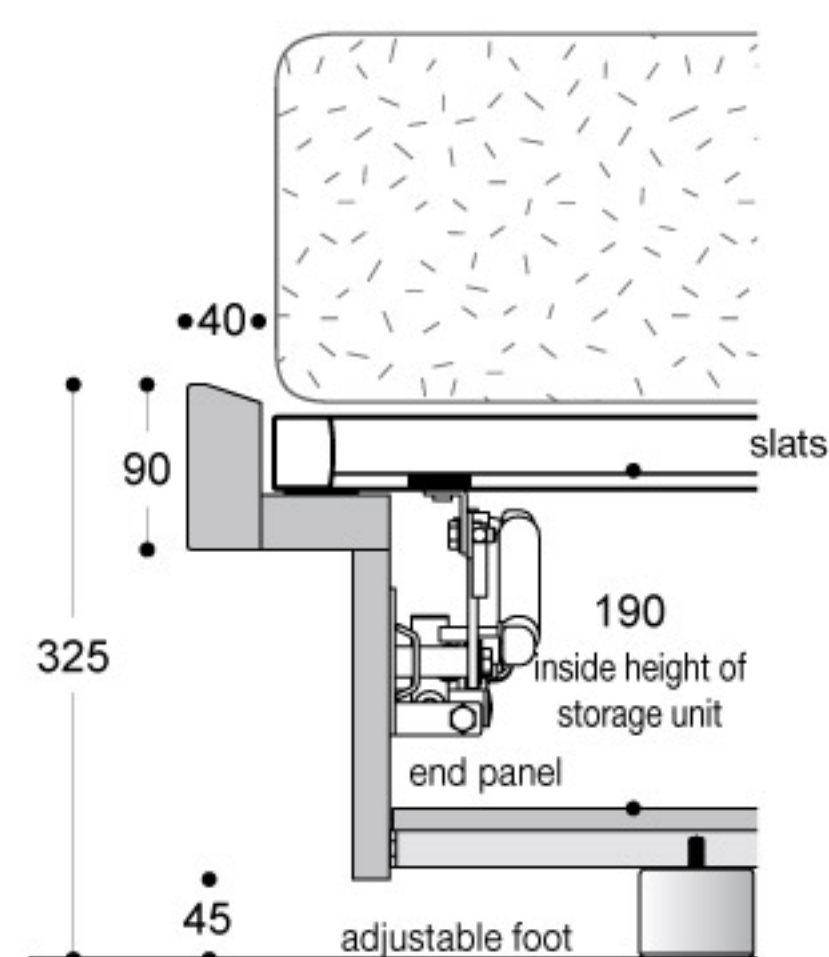

POSITION OF BED BASE MOUNT

The position at 80 mm from the upper edge requires a lower compensation foot
